

### Stage Application Procedure:

Please forward the following information to Human Resource Services:

- **Stage Student Request Form** (available on [www.kmhc.ca/careers](http://www.kmhc.ca/careers))
- Student Name(s)
- Dates of the proposed stage
- Name of the school and program
- Department requested for stage (or field of study)

The Human Resource Services will contact the relevant Service area to see if the stage can be accommodated. Please note that stage placements may not be available for all service areas.

To maintain the well-being of the clients, students may be requested to provide the Staff Health Nurse with their immunization records and meet with the Infection Prevention and Control Nurse. Students may also be required to complete a security check.

## Expansion & Renovation

Today, KMHC provides 58 long-term beds and 10 short-term beds.

The new construction will add 25 long-term care beds and 5 short-term care beds for a total of 73 beds.

The expansion comprises construction of an entirely new, 2-storey facility, as well as renovation of outpatient services.

Construction is scheduled to be complete in fall of 2019.
