For Immediate Release

(Kahnawake – 20, Onerahtókha/April 2023) The Kateri Memorial Hospital Centre wishes to remind community members who don't have a family physician to contact us at the special number listed below.

Our goal is to provide as many people as possible access to a family doctor.

Clients who already have one are encouraged to remain with their current doctor for optimum continuity of care.

Please call 450-638-3930, extension 2468. Leave you name and contact info and somebody will return your call.
