## Public Service Announcement **NOTICE – Date for next KMHC Vaccination Clinic**

**(Kahnawake – 6, Enniska/February 2024)**

Tehshakotitsén:tha Kateri Memorial Hospital Centre (KMHC) wishes to inform the community that a Vaccination Clinic is scheduled to take place on Thursday, 15 Enniska/February from 13:00 to 17:00 (1pm to 5pm).

The Vaccination Clinic is located at KMHC Room 153B (directions will be given at the main/clinic entrance). Appointments can be booked online at <https://clients3.clicsante.ca/60144/take-appt> or by calling **450-638-3930 extension 2243**. Additional information is available at [www.kmhc.ca](http://www.kmhc.ca).

The following vaccines are available:

- COVID-19 (new variant)
- Flu
- Pneumonia
- Shingles

Please note that a decision will be made after this clinic to determine whether further Vaccination Clinics will be held this season.

The community will be informed when the decision has been made.

**Once the KMHC ends its Vaccination Clinics**, clients will still be able to receive vaccinations at other nearby locations by booking appointments using [clicsante.ca](http://clicsante.ca).

**If using this method**, choose “COVID-19,” then click on “Vaccine & Age Group” if they want that vaccine. Otherwise, they can choose the vaccine they would like (i.e. *Respiratory Syncytial Virus (RSV)*, *Whooping cough*, *Hepatitis A & B*, *Pneumococcal*, *Tetanus*, *HPV*, *Tuberculin Skin Tests*, etc.).
