NOTICE – KMHC Vaccination Clinic set for Thursday, March 14th

(Kahnawake – 5, Enniskó:wa/March 2024)

Tehsakotitsèn:tha Kateri Memorial Hospital Centre (KMHC) wishes to inform the community that a Vaccination Clinic is scheduled to take place on **Thursday, 14 Enniskó:wa/March from 14:00 to 17:00 (2pm to 5pm)**.

The Vaccination Clinic is located at KMHC Room 153B (directions will be given at the main/clinic entrance). Appointments can be booked online at <https://clients3.clicsante.ca/60144/take-appt> or by calling **450-638-3930 extension 2243**. Additional information is available at www.kmhc.ca.

The following vaccines are available:

- COVID-19 (new variant)
- Flu
- Pneumonia
- Shingles

Once the KMHC ends its Vaccination Clinics, clients will still be able to receive vaccinations at other nearby locations by booking appointments using clicsante.ca. If using this method, choose “COVID-19,” then click on “Vaccine & Age Group” if they want that vaccine. Otherwise, they can choose the vaccine they would like (i.e. *Respiratory Syncytial Virus (RSV)*, *Whooping cough*, *Hepatitis A & B*, *Pneumococcal*, *Tetanus*, *HPV*, *Tuberculin Skin Tests*, etc.).
